1. Acolytes, electrolytes, both of Me. See Me see in them, see Me in them, see Me in My acolytes, see Me in My electrolytes. See Me. I love you.
2. Must I come to you like you want Me to, just like you want Me to? The way I want to, or the way you want Me to? Must I come to you exactly the way that you want Me to--the fashion, form, and substance of what you think I am? Must I come to you in the substance, the fashion and the form of the way that you think I am, who I am, what I am, when you want Me? Or must I come, may I come when I want to, the way I want to, how I want to, and call you to My side the way that I only want to? I love you. How much do you want to be Me and reflect Me? How much do you want to be Me and reflect Me? How much do you want to be Me? Period.
3. I love you and I restrain you not, I restrict you not from walking in Me in the power and might of My glory and My authority, My manner, My fashion, My form, and speaking My words--transmitting My waves and wavelengths of only Me, I restrict you not.
4. I fashioned you after Me and I formed you, the work of My hands, and now I come and I call. Acolytes, electrolytes, neutrons of only Me. See Me in what I have said in so many words, see Me in what I have said, see Me in more than words, see My substance and sinew and revealings of Me to you. I have given you so much yet to come forth and I have yet so much to come forth for you to see Me fully in the regal-ry that I really am. I Love you.
5. Ezekiel anything on Me? You've only begun. See Me. Revel in what I have given you and what I am doing with you, revel in My ways, revel in My words, sweet revelry, sweet joys, tastings of only Me beyond the meat and delicacies of your world-apparent, so far beyond the enjoyment of your evenings enjoyed ever, ever--yet to behold Me in My regal-ry. I love you.
6. I have more- come more, so much more- come more and let Me give you Me. Let Me give you Me more, on platters and plates, platoons and armies. See Me. I love you.
7. "I give you Me, I give you all of Me, I give you Me. I give you all of Me, I give you Me. I give you Me, all of Me. I give you all of Me. I give you Me," you have said so many times. Thank you. Thank you. Thank you for your members replete and withholding nothing from Me and you know what I mean. I loved you, I loved you, I love you and I hold you in My hand. You are in My hand as the land is in My hand and your future is in Me. See Me. See Me see you. See Me, I am one. I am I Am. I am the Holy of Holies inside you for you have regenerated Me as I regenerate you, bringing you into life

eternal, life abundant, life circumspectly beautiful in Me, river of water life of Me, river of life--water of Me, fire and cataclysmic waters of My voice as My voice moves and creates and shapes, forms, fashions, acolytes and electrolytes of only Me. You will see, see more, so much more, see Me more. I love you.

11. I am your father and I fashioned and I formed you and I gave you Me in the form of gifts, in the form of gifts of Me to you, for Me to flow out of you and parts together with My body replete. See that I am I AM and that I am inside you, that I am the Holy of Holies, and I come and I call and I confirm that I am 'I Am-ing' you, that I am 'I Am-ing' My body--all who will let Me--in authority, grace and glory by My authority, by the power of My word, the authority of My grace, and the grace of My authority. I come and I call and I confirm you now. Speak My words and to grow, to grow in Me, to grow in grace and glory, to grow in integrity--spiritual encounters

of only Me, reality experiencing, experiencing reality in Me, mining My quarters, My time. My time with you precious, My time with you valued, our time together protected.

17. See Me oh young ones, old ones, little ones, big ones, positions of influence sought and thought. I love you. Now come and call and confirm Me. Come to Me and call Me and confirm Me. Confirm Me in you and allow Me to confirm you. Allow Me to confidence you so that your confidence comes from only Me. I love you. I love you. I love you.

18. This comes and that comes, turmoil comes, turbulence comes, seasons change, exchanges take place, but I am Me, and the oceans of My love penetrate you, penetrate every season, penetrate every turmoil, every economic circumstance thought, felt. I love you.

19. I am subject to no one, and no man, no thing. I move where I want, when I want, what I want, and no force can withstand My love, the power of My mouth. I love you. My heart exceeds the power of My mouth, for My mouth speaks the power of My heart. My heart wills to do the will of My Father. I love you.

20. I come and I call and I ask you to speak the will of My Father. I ask you to speak the words that I give you, the words that He gives to Me, the words of the Spirit, the will of the heart of the Father, the Father's heart, Me, My spirit, Me, our will--one. Will you come one with us? Will you speak our words? Will you one be? Me, Me-ing, Me-ing, Me-ing you, Me-ing others around you so that you can speak in grace and glory and power--in efficiency, effectiveness--communicating concepts and revelations of only Me, Spirit of Truth coming forth--deciding, reciting that which severs bone from marrow, thoughts and intents of the heart, motives of action?

21. Oh, see Me. See Me see you and see Me in these words. See Me in what I am calling you to do and what I am calling you to be, to do/to be, to be/to do, do/be, be/do: one--your being coming out of your doing and your doing coming out of your being, harmonious congruence and only Me. I love you.

22. Peace. Be still and when I say move, ACT,--hesitantly not, but in sureness of footing, stability and confidence of only Me--with others, with no one--but only Me, however, whenever I say.

23. Know that I love you and I am speaking to you more and I am calling you and I am confirming you and I am confidencing you--you who let Me.

24. Your confidence comes from mammon, so many of you. Your confidence comes from mammon, so many of you who call My name, your confidence comes from mammon and not Me. You speak Me, you call on My name, but your confidence is placed, misplaced, in mammon.

25. See Me and let Me confidence you and replace power thought with power true, authority thought with authority true—Me--the one and only, Me. I love you.

26. Come now, call upon My name and speak My words. Receive the ability to fail and worry not, worry not about man's reception, man's receptivity, but concern yourself with Me and My ways, My words, My words unending, My words I never intended to

end, My words that I gave revelation of only Me, written, revealed, protected and revealed now so much more so, and now revealed in My word unending, My word going forth to do what I have called it to do, what I chose for it to do, what I designed for it to do because I do design, I plan, I think and I execute.

27. I execute My judgments, My rules, My laws, and I operate by My values--operating system of only Me--based on monocular love, cellular love, quark'd love that begins with only Me and ends with only Me, circularity of only Me. I love you.

28. I have given you so Me so much, so many times.

29. My towers, My white towers, My electric grids of only Me coming forth in might and power and grace and glory, confidencing many. Multi-cultural multitudes that seek Me in peace, in unity, confidence coming forth into My leadershipped ones who now I leadership at My knee to walk the halls of power, prowess, progress, My Kingdom coming on the earth flowing with milk and honey. Watch Me. Watch Me. Watch Me. Watch Me.

30. **Think not I have any lack in My body--I have none, none, none; I have no lack in My body. Oh hear Me, hear Me so well, please My body hear Me. I have no lack in My body**. But My fountains are pure, My waters purified. Oh, molecular purification from the Father's heart to your heart, drinking so freely you may--you must--to know Me and know Me well and operate in the days ahead with confidence, with deep, deeply pier'd confidence--confidence'd hearts that know no man after the flesh, that know the difference between right and wrong, that discern the intents and motives of the heart. I love you. I speak and I reveal them and you who want to know--thank you.

31. I love you now. The land is yours. I have spoken. I have given it. Much comes, more comes, abundance comes. London yes and so much more. Land and London, so much more, more in London, more in land, and land multiples now, many explode into view and into your possession, your ownership, your direction of only Me--Mine--all Mine, all Mine, not yours, Mine. Mine. My protection, My processing, My processes, My ways, My knees at your knees. Thank you. I love you.

32. Electric grids of Me representing Me; power, pulsations of only Me. I love you. I give you Me.

33. I give you power and authority now to be you and lead in your leadership, your leadership expanding, your leadership oh reader/hearer, wonderer, wanderer, panderer of My words in the past--ex-pastors, ex-preachers who thought you were through--I love you--rovers, robbers and those of you who have changed your ways to walk after Me in purity, I love you and I offer you so much. I love you. I give you Me.

34. Now come and call after Me, call after My words, call after My purity and seek Me and willing, willing to fail be, willing to grow; yes, affirming Me be. I love you. Good night
